## Remarks

Claim 12 as allowed is unpatentable because it did not fully comply with the requirements of 35 U.S.C. § 112, Second Paragraph. In particular, as allowed, claim 12 encompasses compounds not within the scope of claim 1, the independent claim from which it depends. Specifically, claim 12 included compounds having an alkyl spacer between the variable R<sub>C</sub> and the core, while such compounds are not encompassed by claim 1 as it was amended during prosecution. Consequently, claim 12 has been amended herein by removing the compounds that have an alkyl spacer between the variable R<sub>C</sub> and the core. Claim 12 now properly depends from claim 1, and claim 12 is now patentable.

In addition, the following compounds were each named twice in claim 12: N-{(1S,2R)-1-(3,5-difluorobenzyl)-3-[(6-ethyl-2,2-dioxido-3,4-dihydro-1H-isothiochromen-4-yl)amino]-2-hydroxypropyl} acetamide and N-{(1S,2R)-1-(3,5-difluorobenzyl)-3-[(6-ethyl-2,2-dioxido-3,4-dihydro-1,2-benzoxathiin-4-yl)amino]-2-hydroxypropyl}. The second occurrence of each name was removed.

No new matter was added by the above amendments.
